

2012
Yarra Valley Syrah
'Seville'

Sourced from a vineyard nestled in the foothills of the cool southern vales of the Yarra Valley where the grey loam soils show seams of deep red volcanic clay, the 2012 Seville syrah is handpicked, fermented with a high proportion of whole bunches and receives no additions other than a small amount of sulphur dioxide at picking and bottling. It is then aged in older French barrels before being bottled unfiltered and unfined.

Alc/vol 13.5%

Total production 130 dozen

Cellar Door \$54 AUD
