

Wine of the Month Club!

What does this “membership” mean for you? Well, now that you’re getting on in years, your friends feel you shouldn’t have to strain yourself by popping down to the shop every time you’re thirsty for a nice wine. So, every month (12 times), a nice new wine will come to you! So when you’re popping that cork each month, imagine us there, clinking your glass and saying “Cheers!”, “Proost!”, “Santé!” and “Skaal!”

Your 1st Bottle: Pewsey Vale Riesling 2012, Eden Valley, South Australia. Enjoy!

All our love and best wishes for another four to six decades,

Ann, Betty, Cathy, John, Erica, Ellen en Pieter
