

# Kumeu Village 2019's

---

Dear Friends,

The 2019 vintage is possibly the greatest we have ever seen and the release of the Kumeu Village wines provides a good indication of the quality of the vintage and a precursor to the Kumeu River Single Vineyard wines being released later in the year. These are terrific wines to drink now and over the next few years and provide exceptional quality for the price.

The 2019 vintage was warm and dry with the grapes beautifully ripe and clean. All the wines from 2019 show this purity of fruit and a generous nature that we also saw with the exceptional 2014 vintage. In a year like this, everything is good.

All the 2019 Village wines were hand harvested and fermented with wild yeast which is usually only the method for many producers top wines, [watch a video on how they're made](#). The Village level wines from 2019 are all delicious and ready to drink now and over the next 2-3 years.

Cheers,

The Brajkovich Family

## Kumeu Village Chardonnay

---

Fermented in a combination of tanks and older French oak barrels the 2019 Village Chardonnay shows the typical fresh flinty nature of this wine but with a little extra ripe lusciousness in 2019. We always say that this wine is one you should have constantly in the fridge.

## Kumeu Village Pinot Gris

---

A lighter and drier version of the Kumeu River Estate Pinot Gris. This wine is refreshing and delicious . The aromas of lemon and quince are very appealing and that palate is lively and complex with a refreshing lick of tannin on the end. This is a very suitable aperitif but will also go well with a wide variety of Seafood and Charcuterie

## Kumeu Village Pinot Noir

---

Made from 25% Kumeu and 75% Hawkes Bay grown fruit. The Hawkes Bay fruit from the limestone vineyard we acquired from the original joint venture between Pascal Jolivet of Sancerre and Trinity Hill. The limestone slope produces very fragrant, delicious Pinot Noir. The colour is quite light but the wine packs a lot of flavour. Beautiful red fruits come across in this very pretty wine that finishes beautifully dry. Can be served cool to maximise the lovely fragrance of this wine.
